# Invite friends: Create invite for friends

The screenshot shows a mobile application interface for creating an invite. At the top, there is a dark header with a hamburger menu icon, the text "BOOK TABLE", a user profile icon, and a shopping cart icon. Below the header is a light gray banner with the text "You can invite your friends to lunch or book a table". Underneath is a white bar with two tabs: "INVITE FRIENDS" (which is selected and highlighted with an orange border) and "BOOK TABLE". Below the tabs is a photograph of a restaurant interior. Under the photo is a section titled "ADD YOUR INFORMATION AND FRIENDS". This section contains several input fields: "Date and time" with the value "09/03/2017 21:00" and a calendar icon; "Name" with the value "Susan"; "Email" with the value "susansmith@gmail.com"; and "Friends" with a list containing "paulaadam@gmail.com" and a close button (X). At the bottom of the form, there is a checkbox labeled "Accept terms" and a green button labeled "INVITE FRIENDS".
